UPAAM Professional Lecture Series Presents

## **UPDATES ON ANTIBIOTICS**

### **MILAGROS REYES, MD**

*Professor, Wayne State University School of Medicine*

**Saturday, May 16, 2015 @ 2:00-4:00PM**

**Philippine American Community Center of Michigan  
17356 Northland Park Court, Southfield, MI 48075**

MILAGROS REYES, M.D. is a tenured Professor of Medicine at Wayne State University School of Medicine in Detroit, Michigan. Dr. Reyes earned her MD degree from UP College of Medicine. She was named an outstanding intern and completed a 3 year residency in Internal Medicine at UP-PGH. After her residency, she moved to Michigan where she completed a 3-year clinical and research fellowship in Infectious Diseases at Wayne State University.

Dr. Reyes is the author of numerous scientific articles and book chapters on infectious diseases. She is the principal investigator of many research grants and clinical trials on infectious diseases. She is a Fellow of the American College of Physicians and the Infectious Diseases Society of America. Dr. Reyes served as Chief of Infectious Diseases and Chief of the Department of Medicine at Hutzel Hospital. She is a peer reviewer of various scientific journals. She has received numerous awards including the 1990 Outstanding Researcher Overseas from UP Medical Alumni Society in America, the Teaching Excellence Award from Wayne State University School of Medicine in 1999 and 2001, and the 2013 UPAAA Distinguished Award in Infectious Disease Research.
