### **Do you ever wonder why you are the way you are and why you do what you do?**

In this hands-on leadership summit workshop, we will discuss and explore the relationship between values, behaviors, and perceptions along with the core values that most strongly influence you.

The session will:

- Help you reflect on balancing cultural values to lead more authentically
- Identify leadership enhancing or leadership limiting behaviors to increase effectiveness and navigate the corporate workplace.

- ✓ Students looking for internships
- ✓ Young adults entering the workforce
- ✓ Seasoned professionals who want to enhance their visibility and value in their organizations
